Time	Event Desc	Subject
9:00 AM		Office for the Aging at "Thriving in Rhinebeck"

***Thriving in Rhinebeck: a Showcase of Services and Resources for Older Adults*** will be held on **Saturday, November 2, 2019 from 9:00 AM to 12:30 PM at Rhinebeck High School, 45 North Park Rd.** Approximately 40 organizations are expected to participate, ranging from health care / home care organizations to cultural / educational resources, transportation services and an array of civic groups with programs benefiting older adults.

'Our target audience is Rhinebeck and our neighboring communities, and we hope to attract a range of interested people – older adults, their families, their caregivers and others,' said Nina Lynch of Rhinebeck at Home, member of the organizing committee.

Archcare at Ferncliff's 33-foot Mobile Health Center will be stationed outside the main entrance of the school. Visitors can have free screenings of their sugar, cholesterol and blood pressure levels, as they would in a doctor's office.

Brian Jones, Outreach Coordinator for Dutchess County Office for the Aging, will discuss *Avoiding Scams!* in the auditorium. Other interactive presenters include Mark Power with meditation practice, Bev Lipper and *Fun with Collage* and Dr. John Roger, Partner at MOST Physical Therapy, who will discuss how working with a physical therapist can keep older adults independent, healthier, stronger, and living in their homes longer.

## Dutchess County Calendar of Events

Informational tables will fill the lobby and gym of the Rhinebeck High School. Printed programs for attendees with the names of all participating organizations will be available.

In the upper parking lot of the school, AARP will host an 'Operation: Stop Scams' free shredding event. Individuals may bring up to three grocery bags of paper documents to be shredded. Metal, plastic, books, magazines and commercial shredding will not be accepted.

In addition to Rhinebeck at Home, the planning committee includes Archcare at Ferncliff, Rhinebeck Central School District and Rhinebeck Rotary Club.

Sponsors of *Thriving in Rhinebeck* are Nuvance Health, Rhinebeck at Home and Tops Markets.

For more information, please call Rhinebeck at Home at 845-379-1114

## Department of Behavioral & Community Health - Rabies Vaccination Clinics

Saturday, November 23, 2019

Time	Event Desc	Subject
8:00 AM	<p>The Dutchess County Department of Behavioral &amp; Community Health (DBCH) announced today a free rabies vaccination clinic for pets will be held on <b>Saturday, November 23rd</b> at the <a href="#">Pine Plains Hose Company</a>, <b>7 Lake Road, in Pine Plains, NY</b> from <b>8 am to noon</b> with convenient on-site parking.</p> <p>In partnership with the Dutchess County SPCA, this clinic will offer Dutchess County residents the opportunity to obtain rabies shots free of charge for their dogs, cats, and domestic ferrets 3 months of age and older. Proof of residency is required. Non-residents will be charged \$10 for each pet vaccinated.</p> <p>"Our vaccination clinic for household pets offers dog, cat, and ferret owners an opportunity to receive a rabies vaccine that will provide them with the protection they need should they encounter a rabid animal," said DBCH Commissioner A. K. Vaidian, MD, MPH. "I am especially pleased to have the Dutchess County SPCA assist us with administering these vaccines in the northeastern section of our county."</p> <p>In New York State, rabies shots are required for all cats, dogs, and domestic ferrets by the age of four months. Revaccination is then required on a regular schedule to keep the animal properly immunized against the rabies virus. Owners can be fined up to \$200 if they fail to get their pets vaccinated and keep them up-to-date.</p> <p>Dr. Vaidian reminds pet owners of the importance of vaccinating all dogs, cats, and ferrets, even if they are considered "house pets" and remain indoors.</p> <p>All dogs must be on leash, and cats and domestic ferrets must be in carriers. Vaccinations will be good for three years for pets with proper proof of a prior immunization. For those without proof, the vaccination will be good for one year.</p>	Dutchess County Announces Next FREE Rabies Clinic

Time	Event Desc	Subject
6:00 PM	<b>Understanding and Preparing for Battery Energy Storage Systems</b> With the New York Public Service Commission's December 2018 adoption of a 1,500MW energy storage target by 2025, local communities are beginning to see proposals for battery energy storage systems, often in conjunction with solar projects, that raise siting and safety questions. As per NYSERDA's guidebook, "as intermittent renewable power sources, such as wind and solar, provide a larger portion of New York's electricity, energy storage systems will be used to smooth and time-shift renewable generation, and minimize curtailment. As New York's grid becomes smarter and more decentralized, these systems will dispatch stored energy when and where it is needed the most."  Join us to learn how your community can prepare for energy storage project development safely and efficiently by adopting the tools and best practices in NYSERDA's Battery Energy Storage System Guidebook.
